

How to get to our LongView Villa

Address:

Longview Villa
Long Bay Estates Road
Long Bay
West End
Tortola

Directions:

From West End Ferry Terminal:

From the Ferry Terminal take the road towards Road Town and Soper's Hole.

Continue until the petrol station and then turn left onto **Zion Hill Road** (*N.B. the road name is not marked*).

Follow this road until the T junction with Sebastian's Hotel in front of you.

Turn left and follow the road towards Long Bay Hotel. The hotel will be on your right and you will go under a wooden pedestrian bridge.

Turn left at the turning after the main hotel building (once you turn left there will be white town houses to the side and in front of you). The road has a steep hill with a footpath on the side. Shortly afterwards and at the T junction turn left.

Follow the road up the hill which switches to the right and then the left followed by another right. Continue along this road which then corners to the left after a fairly straight part. You will go past some houses – we are the second house after Dragon Fly and are on the left. The house's name is by the driveway. There is a fairly steep drive down with a switch back which you cannot do in one turn (sorry!)

From the Airport and Road Town:

From the Airport follow the signs to Road Town (there is only one road!). Drive through Road Town following the main road (named Rte1/Sir Francis Drake Hwy though there are no signs) towards Soper's Hole. You will pass Nanny Cay and Fort Recovery. Once you pass Big Ben's Superette on your left, take the next turning on the right at the petrol station into Zion Hill Road and follow the directions as above. The villa is approximately 1 hour from the airport and 30 minutes from Road Town.
