

Water Taxis, Ferries and Car hire

There are 3 options

Private water taxi - you are met and greeted at airport and taken over to the Red Hook without delay and to West end which is where the villa is close by. Rental car from Jerrys can meet you there.

This is the most luxurious way to go but a little more expensive.

The second choice is Ocean Dreams own Public ferry they run

The third is the regular ferrys from Fast Ferry's etc.

Yes the water taxi rate depends on the number of people. I will give you both our water taxi rate and public ferry rates, as we now offer a limited ferry schedule between Charlotte Amalie and Road Town.

Private Water Taxi

5 or more persons \$80 per person to West End each way

1-4 persons flat \$400 water taxi rate each way

\$45 per person Customs, Immigration and Docking fees each way (all arrival and departure taxes included as well)

Public Ferry

\$40 per person one way, \$65 round trip per person

\$10 per person US departure tax

\$10 per person for BVI visitors Environmental tax

\$20 per peson BVI departure tax

\$5 per each checked bag with wheels and handles

When you have guests arriving/departing you can send me their arrival and departure flight times so I can match them to our ferry schedule or book them with a water taxi if preferred. I can also arrange land taxi transfers in St. Thomas and Tortola.

If flights are delayed past the last departing ferry in St. Thomas, we can do same day arrival late water transfers to Tortola with Customs approval.

Let me know if any other questions. Hope this helps.

The times of the Ocean dreams public ferry are

Public ferry current schedule is 9am, 11:35am and 1:45pm departing Road Town, Tortola for Charlotte Amalie, St. Thomas and departs Charlotte Amalie 2pm during the week and Sundays, or 3:30pm on Saturdays for Tortola. However the schedule varies so you would have to check in advance to confirm the days/times needed.

Also have a look at my handout on other options

for car rentals my hand out

Jerry's is our favourite in West End

however who you choose make sure is a 4x4 NOT a van as hills are steep and not all roads are paved.

Hope this helps
