

Dr John Burke MD, FRCP

Practising at: Spire Bushey Hospital

Contact Details: 020 8901 5555

Specialties: Endocrinology and Diabetes Mellitus
Endocrinology
General medicine

Special clinical interests:

All types of diabetes, thyroid conditions, endocrinology and metabolic diseases

Current NHS and /or university posts:

Barnet General Hospital & Edgware Community Hospital

Year of first medical qualification: 1967

Current membership(s) of professional, national and regional bodies:

Royal College of Physicians of London

Scientific Section of Diabetes UK

North Thames Calman SPR Training Committee

Professional profile:

My main interests are general medicine, diabetes, thyroid disease, endocrinological problems and metabolic conditions such as hyperlipidaemia and hypercalcaemia. I am an accredited specialist in general medicine, diabetes and endocrinology. I run busy NHS clinics at nearby Barnet General and Edgware Community Hospitals in these specialities.
