

## Mr Ed Schulenburg vitreo-retinal surgeon

Mr. Lee has suggested you should be referred Mr Ed Schulenburg.

He qualified in South Africa in 1971 and came to London in 1978 to continue his Ophthalmic training at Moorfields Eye Hospital. He was appointed as consultant at the Western eye hospital in London and the Hammersmith Hospital since early 1980's and in 2011 retired as the senior consultant VR surgeon. He has a huge wealth of experience in vitreoretinal surgery and I can highly recommend him as a senior colleague.

To make an appointment with them you must yourself phone their secretary to make an appointment at a convenient time to you. I will write a letter of referral for you.
