

Dr Siobhan Wren

Consultant Ophthalmologist - Paediatrics

Practising at: The Kersley Clinic, 143 Harley Street, London (private)

Contact Details: Secretary – Monica Cordero 020 7935 0886

Dr Siobhan Wren is a Consultant Ophthalmic Surgeon at Hillingdon Hospital & Western Eye Hospital in London, Specialising in paediatric ophthalmology, adult squint, medical contact lens and general ophthalmology.

She qualified from St George Medical School and trained in London and The Mayo Clinic in Minnesota, USA.

She is the Lead Clinician at Hillingdon Hospital and also works in the Medical Contact Lens Service at the Western Eye Hospital.

Dr Wren is on the council of the British Contact Lens Association and a member of the Medical Contact Lens & Ocular Surface Association.

Mr Lee works and mentors Siobhan at Hillingdon. He has a great respect for her and as Mr Lee does not routinely see children he is more than happy for his patients to see her.
